Status of internationalisation

- We are in the midst of building our internationalisation strategic plan.
 - Starting discussions with potential double and joint degrees partners
 - Renewing and re-evaluating existing MOUs, along with signing new significant ones.
 - Participating in joint projects, research projects and other activities with international partners.
- IRO is responsible of incoming-outgoing students, international workshops, maintaining and advancing MOUs, assisting in strategising international agenda for varies departments.

Pilot Activities

- MOU management and advancement - setting a five years road map
- Improving incoming student experience - Buddy System
- Implementing English as a medium of instruction in Shenkar

Pilot Activity #1: MOU management and advancement - setting a five years road map

- Structuring and strategising MOU signing for each department
- Meetings with president, deans, departments heads
 - building roadmaps with specific goals
 - setting milestones for each step
 - creating “wish lists” (realistic, constructive, forwarding)
 - pooling resources
- Completing the plan, implementing structure

Summary

- Major achievements and accomplishments from the beginning of the IRIS project
 - we have a clear, achievable strategy, with the backing and promotion of management
 - IRO is alive and kicking! Setting procedures, corresponding with other IROs worldwide, an address for all international activities - students, faculty, administration.
 - Pilot Activities
- Major current challenges and open issues.
 - We have to proceed in building an international, English speaking masters degree.
 - budget for internationalisation is not clear.
 - not all departments are participating in internationalisation challenge
