

Israeli Partners Meeting, 22 June 2014, The Max Stern Yezreel Valley College, Israel

Cooperation & Sustainability

On Sunday, June 22nd 2014, the Tempus IRIS Israeli partners will take part in a meeting to discuss options for collaboration and directions for future activities.

The meeting will take place in The Max Stern Yezreel Valley College, at the **conference room in the Management Building (Building No. 5)**.

The workshop will be dedicated to discuss possibilities of cooperation and collaboration among the Israeli partners of the IRIS project in order to empower internationalization activities in the Colleges. We will try to develop mutual initiatives that will enable us to offer more interesting and attractive suggestions than the ones that each one of us can develop on its own.

To ensure sustainability of the project's results within the college partners and to promote it among the other non-participating academic colleges in Israel, we will discuss the exploitation and sustainability plan of the project, as will be presented by Sapir, Leader of WP8.
